PERSONAL MENTION OF GENERAL INTEREST

Harry Snelling arrived here from Pasadena, Tuesday, for a visit at the home of Mr. and Mrs. L. S. Simmons. The young man will visit the Exposition before returning to Southern California.

Mrs. L. Bianchini, of San Francisco, has returned home after a visit with her relatives, Mr. and Mrs. S. Ciucci, of the Toscano Hotel. The lady's husband—a prominent metropolitan business man—is a nephew of Mine Host Ciucci. Mrs. Bianchini, whose beautiful voice has charmed Sonoma music-lovers on numerous occasions, returned last winter from Italy, where she received a two-year musical course, and we hope in the near future to have the pleasure of hearing the gifted vocalist at a local entertainment.

Librarian Miss Kate McDonell was kept very busy by patrons of Sonoma's public reading room during March. Her report to the Board of Library Trustees for that month shows that 752 books were issued. Of these, 449 were fiction, 267 juvenile, and 36 miscellaneous. Seventy-four magazines were given out, seven new borrower's cards were issued, and three renewed. The long talked-of entertainment, it seems, must become a near event if the public demand for new books is to be fully gratified.

Mrs. Amelia Bish and daughters, the Misses Hazel and Austria, are guests at the home of the lady's brother-in-law, L. M. Bish, at Madrone Vineyard. The ladies arrived from their Canadian home, Thursday of last week, for their first visit to California. The enjoyment of the trip is sadly marred by the death of Mr. Bish's brother, Austin Bish, which occurred last fall, and who had planned to accompany his wife and daughters on their visit to Sonoma Valley relatives, and to the Exposition. The ladies will remain in the State about a month.

Relatives and friends were very anxiously concerned, last Friday, when Mrs. Robert A. Poppe was stricken suddenly very ill, for many hours her condition being precarious. Dr. E. Z. Hennessey of Napa was summoned in consultation with Dr. Irving C. Gobar, and concurred in the diagnosis of the latter physician that Mrs. Poppe had suffered a mild stroke of apoplexy. The lady is making rapid improvement, and if her natural and exceptionally excessive ambitious energy can be suppressed, she will soon be in the enjoyment of her usual excellent health. Miss Emily Poppe was summoned from Berkeley University to be with her mother until convalescence is well assured.

SONOMA VALLEY NEWS NOTES

INSTITUTION OF ODD FELLOWSHIP IS FITTINGLY COMMEMORATED IN SONOMA

Wednesday night, the members of the Independent Order of Odd Fellows of this city, assisted by the subordinate lodge of the Rebekahs, celebrated the ninety-sixth anniversary of the institution of the great order.

Odd Fellows' Hall was tastefully decorated for the memorable event and the program rendered was greatly enjoyed by the members of the orders which are foremost among the solidly substantial fraternities of Sonoma.

Favorite local talent contributed to the entertainment, making up a program to be pleasantly remembered. Vocal solos were given by the Misses Henrietta Weber and Nancy Lillard, and Messrs. M. H. Rowell and Alfred Jansen, all of which were accorded merited appreciation, as were also the violin solos executed by Miss Grace Thompson and Frank Knolle. Mrs. M. H. Rowell assisted as accompanist.

The serving of delicious refreshments followed, after which dancing was inaugurated, good music being furnished by Mrs. Ada Pauli and Messrs. Roy Pauli, Frank Knolle and Alfred Jansen.

The program was opened by an interesting reading—an account of the founding of Odd Fellowship—given by Charles LaTorres, Noble Grand of Sonoma Lodge, I. O. O. F., from which a few excerpts are taken, as follows:

"On April 26, 1819, in the city of Baltimore, five men, out of the ordinary walks of life, with palms calloused and muscles hardened by manual labor, gathered in a candle-lighted room and planted the seed which took root and grew into a mighty oak of human achievement—the Independent Order of Odd Fellows. Conceived and nurtured by men who felt the need of brotherly love, men who had left the homes of their childhood and taken up the struggle of life in a new country, Odd Fellowship has ever been on the side of, and very near to the man who needs a friend.

"The Order today numbers thousands upon its rolls who are blessed with a full share of this world's goods, but it has never forgotten—yea, it is proud of—its humble beginning. The man of wealth may and does seek membership, but his wealth alone cannot gain him admittance into our lodges.

"Odd Fellowship replenishes and increases its ranks from that great middle class from which the world's producers and the nation's defenders almost invariably come.

"Odd Fellowship does not concern itself with the religious beliefs of men other than that they shall

believe in a Supreme Being. It leaves to the individual consciences of its members the right to worship God according to the light given them.

"Odd Fellowship carries out to a practical conclusion the belief in the 'fatherhood of God and the Brotherhood of Man.'

"Men of any and all political beliefs meet on common ground and under a common flag.

"The teachings of Odd Fellowship are broad and liberal in the extreme. What an Odd Fellow is bound to do for a fellow member, he is taught that he ought to do for those who are not members. No man can enter into the practice and teachings of Odd Fellowship without becoming more liberal in his thought and action toward his fellow-men, without becoming a better citizen, a better husband, father or brother, or without enlarging the sphere of his usefulness. To the young man it is an inspiration; to the middle-aged man a support, and to the aged a comfort.

"This Order wars against vice in all its forms. No true Odd Fellow will give aid or comfort to the enemies of society. The laws of the land are paramount and to break those laws is to forfeit membership in the Order. Odd Fellowship stands upon high moral ground, for the home and for humanity.

"Scattered throughout the world of Odd Fellowship are fifty Odd Fellows' Homes, valued at five million dollars. At these Homes, 3,922 aged people and orphan children are being cared for.

"Under the jurisdiction of The Sovereign Grand Lodge are 18,089 subordinate lodges with a membership of 1,645,369 brothers, and 9,725 Rebekah lodges with 711,873 members. The total number of persons belonging to the Order, counting sisters only in Rebekah lodges, is 2,121,921. The net increase in membership is approximately twenty-five thousand annually for both the subordinate and Rebekah branches of the Order."

Mrs. Robert Hall is to entertain the members of St. Barbara's Guild at her delightful suburban home, Tuesday of next week, May 4th, and the ladies are anticipating a pleasurable afternoon with Mrs. Hall as hostess.

"Chip" Bonner, Our Sport Editor
(Caught by our photographer as "Chip" first viewed "Moon Eye" at start of the race. The mental agitation of the sporting editor of the Index at the finish made it impossible for the camera's production of after-thoughts.)

Jim Kehoe's "Sonoma Boy."

Almost proved the winner of one of the most exciting events ever pulled off on the Sonoma Race Track. The run—a quarter of a mile heat—took place Saturday afternoon, and drew an interested crowd who'd been assured that "it was a cinch that Kehoe's splendidly conditioned 'Sonoma Boy' would out-strip the 'skinny' sorrel Otto Brandt's 'Moon Eye' just off pasture and newly shod."

"A pig in the bag, with the string tied," and Sonoma's wise (?) "sports" to not even cut the string for a peek at the "pig" before the selling! It sure was a rich one.

Joe Ryan—a fair-to-medium judge of horse-flesh—who officiated as starter, sympathetically encouraged "Moon Eye" with a handicap. Jim Kehoe gave a splendid display of horsemanship with "Sonoma Boy," but the speed of "Moon Eye"—just off the high life pasture of the "101 Ranch" at the Exposition out-distanced the handsome local runner, and like a gale of North-wind "Moon Eye" swept the race course.

Bonner has since been devoting himself closely to the study of equine anatomy, and wondering if Pete Perazzo charged those new horse-shoe nails with electricity.

BUSINESS CHANGES AND IMPROVEMENTS--- DRUM CORPS' AND OTHER MAY DANCES

Under its new management, the well-known local hostelry—the Sonoma House—has undergone some substantial improvements, made by Alfred Warriner, and a general renovation of the hotel bespeaks the enterprise of its new proprietors, Messrs. John Decanini and Emil Graziani. As we have said before, these gentlemen are not strangers to the people of the valley, Mr. Decanini having lived in this city for a lengthy period, and Mr. Graziani being a resident of the Glen Ellen country for several years, and later conducting a grocery store at Caliente. The name "Sonoma House" has been discarded, and that of Fior D'Italia Hotel—signifying Flower of Italy—substituted. In the management of their new business enterprise Messrs. Decanini and Graziani will have the assistance of their capable wives. Read the advertisement of Fior D'Italia Hotel, which appears on this page.

J. P. Engelund, who recently suffered quite a loss in the destruction by fire of his barn and brooder house, was given occasion, Monday last, to feel that there is compensation oftentimes in even supposedly ill luck. On the day named, a number of friends and neighbors, marshalled by "Big Chief Bill" invaded the Engelund premises and lent their skill to the work of reconstructing a barn. At noon a fine dinner was served by Mrs. Engelund to the willing workmen, whose friendship was demonstrated in this unusual and most greatly appreciated manner. The gentlemen who erected the new building were: Wm. Russell, E. T. Casson, S. Joost, J. R. Bird, W. L. McAlister, E. Rochet, Jr., C. Soderberg, F. W. Fobbel, R. Dierks, A. A. Sycrowsky, P. W. Angove, E. E. Bennett and Sapwell.

The attractiveness of the beautiful home of Mr. and Mrs. O. R. Wagner, on Broadway, has been greatly increased by the concrete work done on the premises. The completion of the gutters and the installation of copings are decided improvements. The property has a frontage of two hundred feet, and is one of the most desirable home places in the valley. Just now, it is especially attractive, as the grounds surrounding the residence are very pleasing, as the Wagner gardens contains many choice roses.

Tonight (Saturday) at Chauvet Hall, Glen Ellen, takes place the May Ball arranged by the Drum Corps of Sonoma Parlor, Native Sons of the Golden West. Despite the fact that Terpsichore had been assured of the devotion of her subjects at last night's party, the dance-loving young people of the valley will be present at the Drum Corps' dance, not only because of a desire to contribute to any undertaking attempted by the boys, but also for the very good reason that all events given under Native Sons auspices are well arranged and successfully carried out. The object of these benefit dances is that the Drum Corps may be represented at the big Admission Day celebration in San Francisco. Tonight's ball has been managed by James Modini and Leonard Thomas, and the floor is to be under the supervision of Fred Helberg of Vineburg, and Milton Sobbe of Glen Ellen. The music—well, the music will be exceptionally fine by the Pauli-Hansen Orchestra of six pieces, and this announcement will certainly prove sufficient inducement to the majority of those who enjoy the exhilarating pastime—they be they ever so weary—to attend this Drum Corps' Ball.

We want to remind our readers again today that Saturday night of next week is the date named for the Benefit Dance for Agua Caliente School, which takes place at Boyes Springs. The Misses Hattie Young, Annie Farrell and Anita Hughes are energetically striving for the success of the laudable effort, and, lest they forget, we ask Sonoma leaders to leave the social calendar free on that date—Saturday, May 8th.

The girls of St. Margaret's Guild were busily at work when the Index-Tribune went to press yesterday (Friday) afternoon, arranging and decorating Union Hall for last night's May Dance. Roses in profusion and luxuriant greenery were effectively used. The party was delightful, of course, as the young ladies planned that it should be. The patronesses of the affair were Misses Wm. Trudgen, L. H. Green, Geo. Breitenbach, and L. S. Simmons, and Messrs. L. S. Simmons and J. A. Kinsella assisted the Misses Gladys Simmons and Agnes Moss in the management of the floor. Music was provided by the Pauli Orchestra.

Mrs. Charles Preston, of San Andreas, is enjoying a visit in the Sonoma Valley, a guest at the suburban home of her brother and sister-in-law, Mr. and Mrs. Leland Brubeck.

SECRETARY BROWN IMPROVING OUR EXHIBIT

In response to invitations sent out by Secretary E. H. Brown a number of the secretaries of the Sonoma County Chambers of Commerce enjoyed a luncheon, Friday of last week, and were afforded an opportunity of clearly understanding just what is being accomplished at the Exposition.

Secretary John F. Picetti, of the Sonoma Valley Chamber of Commerce was unable to be present, to his regret, but then, Mr. Picetti keeps closely in touch with all of value to the best interests or contributory to promoting greater publicity of our resources, so we may be certain that if Mr. Picetti has missed anything worth while, it will be acquired later on.

Secretary Brown displayed to the visitors the recently installed exhibit of prunes in the Horticulture Building, and the Agricultural Building—where a large space has been set aside for Sonoma County—was also inspected.

In the building devoted to agricultural displays, an artistic bridge is in course of construction, to span a stream of water, on the banks of which will be growing all kinds of grains and produce.

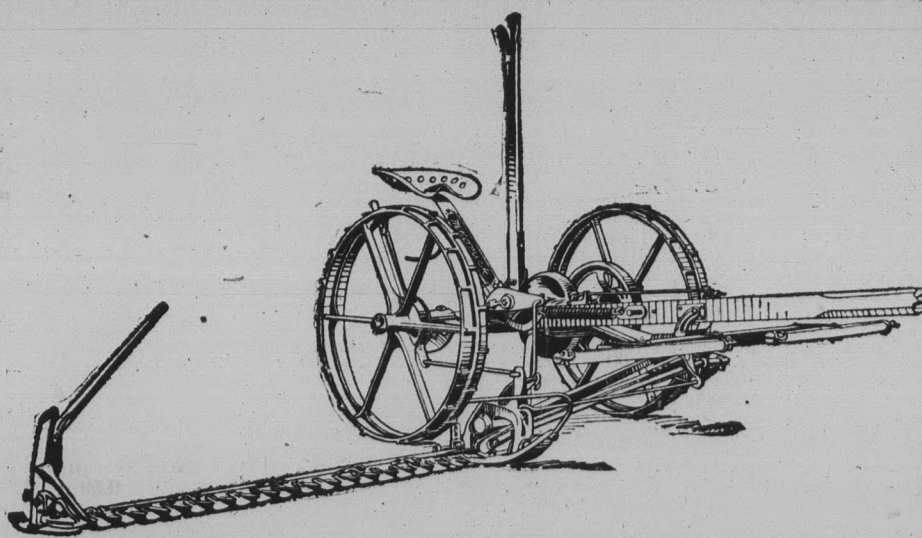

The Burbank display in the Sonoma County exhibit is being enlarged, the new installation comprising a very complete assortment of the wonder-products of the noted scientist.

There is also being placed an attractive display from the Petrified Forest.

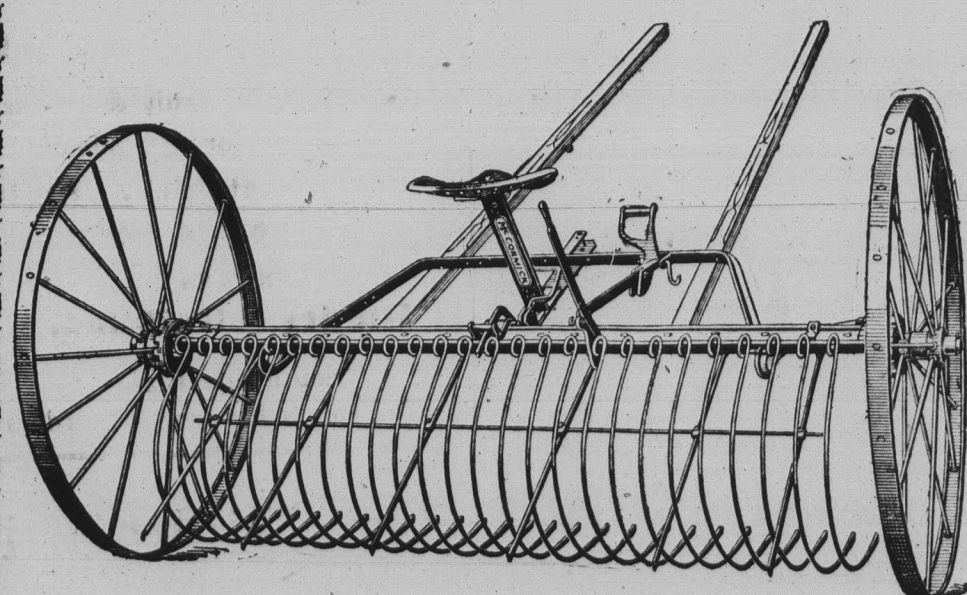

Secretary Brown is certainly the right man in the right place and is making the most of his big opportunity "to boost" the great Banner County, every section of it being fairly treated by the gentleman representing its interests.

Miss Lou Thompson, of Healdsburg, was the week-end guest of Mrs. Henry F. Bates. Miss Thompson is a competent deputy in the office of County Treasurer James Ramage—an appointment indicative of the wise political generalship of Sonoma's genial county official, and one of the reasons why that gentleman polled such a handsome vote up-country. The appointment could not have been more worthily bestowed, and met with general approbation in the Healdsburg country, where Miss Thompson enjoys the friendship and esteem of everybody.

Some "Twenty Years Ago" In Old Sonoma

(FROM THE SONOMA INDEX-TRIBUNE OF MAY 4, 1895.)

The Lawn Tennis Club will give an invitation party in this place in the near future.

Miss Pauline Bates will be the guest of Miss Kate Lewis in Santa Rosa during the Rose Carnival next week.

Robt. P. Hill, manager of the agricultural department of the Home for Feeble-Minded, was in town Wednesday.

J. G. Marcy and his daughter, Miss Nettie, took Tuesday afternoon's train to San Francisco to attend the wedding of Mr. Marcy's brother.

The rainfall of 1.70 inches on Friday and Saturday of last week has been followed by warm, showery growing weather. The outlook for hay and grain was never better and there will be a splendid yield of both in this valley. The fruit prospects, however, are very gloomy. There will be few apricots and Bartlett pears are dropping badly. The peach crop will also be short. Apples, plums and prunes have set heavy on the trees and there will be a big yield of each. Stock and dairy men are in a very cheerful mood, as never in the history of the valley has there been such an abundance of grass, and in consequence all kinds of stock are sleek and fat. The wine-growers are also very much encouraged as wine is coming up and the vineyards give promise of a good crop of grapes the coming season. The rainfall to date has been 38.17 as against 24.82 for the corresponding time last year.

Henry Castagnasso and little daughter visited San Francisco last Monday.

J. E. Kearney was a visitor in the metropolis several days the past week.

A public-spirited man, though his wealth be limited, is worth more to a town than a dozen close-fisted capitalists.

The M. E. social held last night at the residence of Mr. and Mrs. Long was a pleasant affair, and was attended by many of our young people.

A large and appreciative audience greeted those who took part in the entertainment at Union Hall on Friday evening of last week, the occasion being the benefit for the High School Library Fund. Between fifty and sixty dollars were netted, which will be applied to improving the library. The hall was handsomely decorated by the young ladies of the High School, who had charge of the affair.

The following was the program presented:

The enterprising firm of Busby & Coates report the sale of a five-passenger touring car, a Ford, to Antonio Caccia. The popularity of the Ford never wanes.

George Leiser, Joe Andrieux, George Perazzo, Chris Severs, L. Darling and Richard Rahwyler, of this city, were admitted into the paddock of the antlered herd of Moose at Santa Rosa, Tuesday night.

Louis Picetti, chairman of the committee appointed to arrange for transportation, has secured the big auto bus for the accommodation of the many who wish to attend the Drum Corps' Dance at Glen Ellen, tonight. The bus will leave the Union Hotel.

Miss Virginia Shumate, daughter of Dr. Thos. Shumate, Police Commissioner of San Francisco, is convalescing at the Sonoma Valley Sanitarium. Miss Shumate, who arrived here Thursday evening, is accompanied by her nurse, Miss Margaret McDonell.

Mr. and Mrs. Henry Brown, the Misses Gertrude Breitenbach, Elmira Hansen, Mary Springer, Nellie and Clara Peterson, and Messrs. Ralph Evans, Leonard Thomas, Jerome Jansen and Richard Rahwyler attended a dancing party in Santa Rosa, Wednesday night.

The Sacrament of Baptism was administered to Florence Ella and Coleman Edgar, children of Mr. and Mrs. E. C. Campbell, by Rev. J. Henry Oehlhoff, rector of Trinity Episcopal Church. The ceremony was performed at the home of Mrs. Campbell's mother, Mrs. L. Leichter, in San Francisco, last Monday.

Congratulations continue to be showered by many Sonoma Valley friends upon Ralph J. Perkins and his bride (nee Miss Geraldine Stains of Gridley, Glenn County), whose marriage was celebrated in San Francisco, March 16th. The groom, a son of Cashier R. E. Perkins of the Sonoma Valley Bank, is a native son of "Old Sonoma," and his friends are legion throughout the valley. May all bright fortune attend the young people.

THE BLACK POINT CUT-OFF

EDITOR OF INDEX-TRIBUNE:

Knowing that your paper has been an ardent and enthusiastic supporter of the Black Point Cut-off since its inception, I am writing to tell you of the difficulty the committee is experiencing in raising the final \$500 needed to make up the \$2700 with which to buy the rights of way not yet deeded to the State.

There are many people living in our valley who are desirous that the Cut-off should be built, if somebody else will do the work and pay the bills. The committee has been astonished at the number of this kind of people dwelling among us. They admit that the building of the Cut-off will be a splendid improvement; but when asked to contribute a few dollars, their enthusiasm melts like snow in the warm place. Many have contributed more generously than we expected, others amply able to give, have given disappointingly small sums, while a number of large property holders have failed us entirely.

Now, the question is, how are we going to raise this sum?

The Highway Commission is ready to let the construction contract, but will not do so until the rights of way have been deeded. Therefore, the work is being delayed by those who from lack of interest or stinginess have refused or failed to do their share.

If there are any public-spirited citizens who have not been approached by the solicitors of the committee, or any who wish to increase their subscriptions, they are urged to send their checks to the treasurer, W. F. Clewe, at once.

A little more team work, a little more public-spirited generosity on the part of our citizens who thus far have lagged behind, and success and prosperity will be ours.

Yours truly,
WEARIED BUT HOPEFUL COMMITTEE MAN.

STANDARD OIL COMPANY'S EXHIBIT

That petroleum has done much to advertise California is apparent from the large number of visitors from other states, who each day at the Exposition head immediately for the exhibit of the Standard Oil Company when they visit the Palace of Mines. Almost invariably oil men of California or elsewhere make this exhibit their objective point. By far the greater number of visitors, however, are people who have heard of this State's wonderful gusher well, but whose actual first-hand knowledge of petroleum deals only with its refined products.

Every exhibit in this Standard Oil Company booth, whether a refined product ready for delivery to the consumer, or a working model of an oil field, is an illustration of this company's activities—shows what it has done and is now doing in California's great oil industry. In every branch of the oil industry the company is active, and in its exhibit no phase of its business is slighted.

"When this display" was being prepared, the belief ruled that the chief purpose of an industrial exposition is properly educational," explained one of the company's officials yesterday. "Accuracy" was the watchword, and as a result every one who visits this display is afforded opportunity to learn facts and truth relative to California's petroleum industry. The entertainment at the same time afforded will vary in degree with the visitors' tastes and interests, but it is unlikely that anyone will not find the exhibit well worth the time he or she chooses to give it; and, of course, we hope everyone will come and see it.

"Petroleum, in some form or other, is so great a factor in the present epoch that practically no one is not in a measure dependent upon it. While this exhibit is in part of a technical nature, the most of it will be readily understood by the average visitor. Attendants are here to answer questions and will gladly assist the visitor in his pursuit of knowledge having to do with the Company products, their uses, and with the various phases of the industry."

From the Santa Rosa Republican is taken the following account of the passing of Samuel B. Lewis, oldest engineer on the Northwest Pacific Railroad, who dropped dead of heart disease at his home in Sebastopol, last Monday afternoon:

"Death overtook the venerable engineer with dramatic suddenness, and at a time when he had been remarking how well he felt. At the moment when the grim reaper called him, Mr. Lewis was in the back yard of his residence picking peas. He had partaken of a hearty dinner with his wife and daughter, and for a little exercise, went out into the garden. He had been there but a brief time, when about two o'clock he fell to the ground.

"He was seen to fall and loving hands quickly raised him to a sitting position, and Dr. J. W. Kerr was hastily summoned. The doctor declared that Mr. Lewis had evidently passed away before his fall; his body had struck the ground. Death was painless and sudden.

"Sam Lewis was known all over this section. As a small boy he began his career of railroading, and he has been in the cab for many years. For several years past he has been at the throttle of the Sebastopol branch train, and he was happy in his home at the end of the branch line. On Sunday and as late as on Monday, he had expressed the splendid health which he was enjoying to a number of companions, and he never looked better in recent years. From the cab window he waved a pleasant greeting to a number of acquaintances at the local depot on Monday morning, just before departing for Sebastopol on what was destined to be his last journey.

"A married daughter of the deceased arrived at the home of her parents Saturday evening, and with her mother when the father passed away. The grief of the women is inconsolable.

"Lewis had been in charge of trains all over the road, his last permanent run before coming to the Santa Rosa-Sebastopol run being on the Glen Ellen Branch. He was a genial, whole-souled man, true to his friends and one who enjoyed a wide acquaintance. He will be missed by his circle of acquaintances."

A PROMINENT ATTORNEY HERE

Edward M. Norton, a prominent Sonoma County attorney and resident of Healdsburg, passed through Sonoma, Monday, en route to Vallejo, and while here paid welcome calls on old-time friends. Attorney Norton is a member of the Board of Directors of the Eldridge Home for the Feeble Minded.

SPECIAL DINNERS

Sonoma Grove has added to its already splendid equipment for serving the public another spacious dining room, their increased trade in special dinners demanding considerably greater capacities. These special Sunday and week-day dinners—which include ravioles—are patronized by motoring parties from Santa Rosa, Petaluma, and other points, as well as our own townspeople, all of whom are advertising their exceptional excellence. Parties wishing to dine at Sonoma Grove will do well to make previous reservation. Other improvements are being made in and around the well-known resort by the proprietor, Arthur Mosso, who caters to the public in the most painstaking and satisfying manner.
